On July 10, 2025, the Office of Quality Assurance (OQA) conducted an audit of facility H0354 located at 32-02 College Point Blvd Queens, N.Y. 11354. Based on the audit results, this facility is approved to supply Hot Mix Asphalt (HMA) to NYC DDC projects until 6/27/2026.

Please be advised that all HMA mix designs used on DDC projects are subject to OQA approval. The generic mix designs, once approved, are valid for a period of two years from the approval date.
